[prolonged fart noise]...welp...That was about as much fun as having a pretty face in a maximum security prison when all the guards go on a prolonged break & you're caught in the showers...or something.It's as if Miami is being punished for being so healthy throughout Training Camp and the Preseason.Still <http://www.dolphinsauthorizedshops.com/authentic-kiko-alonso-jersey> , despite losing 40% of our starting OL, 33% of our DL, and 50% of our starting DBs, nobody expected us to drop a colos sal turd in Fuxboro.This next game will show us all a lot about this what the 2018 team and the coaching staff are made of.In the meantime, let's have some fun & cheer our grumpy fan base up, shall we?Devin McCourty learned a valuable lesson on Sunday Xavien Howard Jersey , compliments of RB Kenyan Drake.Boop!@nashmax73 Is anyone really surprised that CB Bobby McCain got injured? Laws of Physics = OUCH!@nashmax73 And now comes a segment I like to call, "Make Fun of Brady."Oh look, here he comes to gloat about winning this time, unlike his last game against Miami on MNF.Truth Bomb@nashmax73 You can have how ever many tainted rings you want Brady, but you still act like a whiny, pouting baby when you hang around after wins but disappear immediately after a loss. Cry Baby@nashmax73 I will forever see this every time Tom Brady is on TV.Big Baby@nashmax73 Finally Authentic Daniel Kilgore Jersey , happy trails to disgruntled DT Jordan Phillips.If only you loved being part of a team as much as you loved grubbing or talking smack to Omar Kelly.The Hunger Is Real@nashmax73 #FinsUpBull Vs. Bear Fantasy Report, 1,200 All-Purpose Yards: Kenyan Drake I'll save you a Google search. The bull market means up (horns go up); the bear market means down (claws go down). It's tough in this writing business when you keep changing your mind on how you feel about something. I did a Phinsider Radio podcast 2 weeks ago and said I was "bearish" on Kenyan Drake. As of this writing, I want to have his babies. Put the shoe on the other foot, so to speak.He's got game-breaking ability, and once he develops into a seasoned route runner...WOW. Yet Youth Josh Sitton Jersey , Frank Gore could vulture TD's, and Kalen Ballage flashes legitimacy. This could be a true committee deeper into the season. How are the snaps

more and more to look at that 4th round as a draft pick commensurate with Drake's potential value.I'll set the barometer at 1,200 all-purpose yards, and you tell me are you bull or bear?
