Welcome to Houston, Isaiah

Union - Dynamo TheoryPlaying with ten men hurt the Dynamo in their loss to the Union. It's here.
It's happening. It's [NAME REDACTED] and the Houston Texans looking to enact revenge upon
each other. The big bad quarterback is filling in for Ryan Tannehill while he massages a bruised
AC joint. Ouch. Those things hurt. As for me, I don't know. I'm mixed. Before, I would wish nothing
but awful and terrible things to happen to [NAME REDACTED] for being the worst quarterback in
football in 2016 and wasting a great defense that season. I'd want spiders in his broccoli. Turds
between his toes. A busted timing belt in his Honda Accord. A dead giraffe to be left at his
doorstep. But now Johnathan Joseph Jersey , I don't know, I don't care too much. I hope he's
happy. I hope he's okay. I hope he donated some of that money he got from the Texans to charity.
I'm just having a terrible time getting worked up. I'll make sure to deadlift as much as I can and
starve myself to get angrier about that and help my low-T. Yet, even then, that might not even
work.

I'll just be watching Thursday Night Football at the house with a friend after we record the Week
Eight preview podcast. Anyways, those are my plans. What about you? What do you have going
on? Heading to NRG Stadium?Are you going to ignore network television comedies? Will you
lament the first night without baseball in forever? Are you going to go for a walk and think about
the past while the crows surround you and your brain is stuck with an image of [NAME
REDACTED] in your head? Are there ear plugs you need to find to ignore Joe Buck and Troy
Aikman? Or will you just be watching Texans-Dolphins at home Youth J.J. Watt Jersey , or
somewhere else, like a perfectly normal person?Whatever your plans, let us know in the
Comments. If you're still trying to figure out what you're going to do, or if you'll be a stranger in a
strange land looking for somewhere to catch the game, pose any queries here; someone might
have a suggestion for you. Similarly Authentic Zach Cunningham Jersey , if you've got a worthy
spot staked out somewhere and want to clue fellow Texans fans in to it, please divulge that
information in the Comments as well.
